

ERASMUS + IN SWEDEN 2026

INTERNATIONAL SCHOOL OF GOTHENBURG.

FIRST DAY

COMMUNICATIVE ACTIVITIES: WELCOME, MEETING THEIR FRIEND, PLANNING EXPLANATION, SPEAKING IN GROUPS/PAIRS, PRESENTATIONS ABOUT THEIR CITIES, TOUR CITY IN ENGLISH

COMMUNICATIVE ACTIVITIES

After introducing themselves, the students shared questions and answers about their daily lives, hobbies, interests, and future plans.

The Swedish students introduced the school in English in small groups, explaining the function of all its facilities.

EXCHANGING PRESENTATIONS

There was an exchange of presentations. The Spanish students presented their city and school to the Swedish students. They asked questions. The Swedish students presented Gothenburg and Swedish customs.

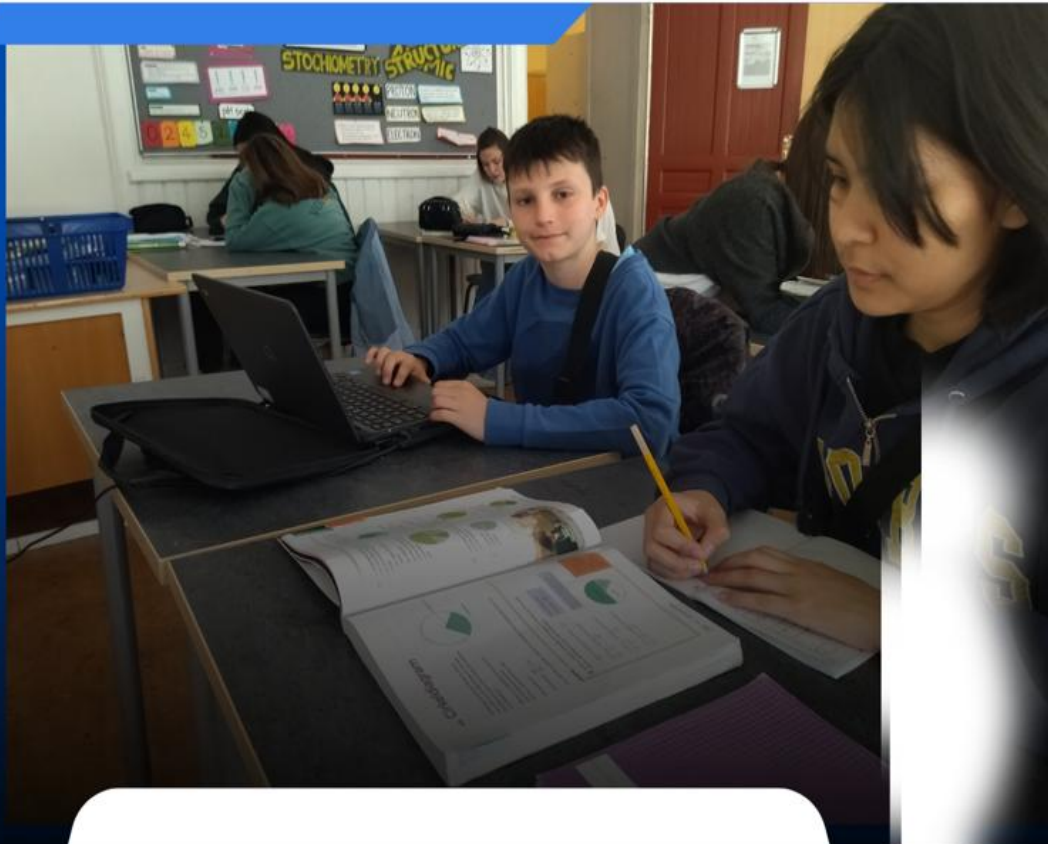

CITY TOUR WITH EXPLANATIONS IN ENGLISH

The Swedish students acted as tourist guides in English, explaining the most important places in the city.

SECOND DAY: IMMERSION IN CLASSES

ENGLISH, MATHS, ICT AND SUMMER SHOW

FOURTH DAY: OUTDOOR LEARNING VISITING THE UNIVERSEUM. SDG AND STEM

OUTDOOR LEARNING ODS

This outing was very interesting. The students had to find answers to some questions and challenges. The museum focuses on the STEM area and is very centered on the environment and the SDGs.

ODS- STEM

**THIRD DAY:
RESPECTING
NATURE ...**

**EXCURSION TO
ARCHIPIELAGO
EL BRÄNNO**

PROJECT WITH CLUES: ENVIRONMENT TOPIC

Fantastic outing to work on environmental respect with a clear work plan in English. The students worked in groups of Swedish and Spanish students.

SDG
SLOTTSSKOGEN

MARITIME MUSEUM AND AQUARIUM

HISTORY MUSEUM

AND MUSEUM OF ILLUSIONS

The visit to the history museum was very interesting; there we were able to see the passage of the Vikings through that area. Later we visited a museum of optical illusions.

FIFTH DAY

The experience has been fantastic !
